

Product data sheet

HPYF14AZ

Characteristics

Relay socket, HDZ9, Euro4 C/O, 7 A, for HDZ9034/HDZ9054, 14 pin, with snap spring

Main

Range of product	HDZ9
Product or component type	Relay Socket
Contact terminal arrangement	Mixed
Contacts type and composition	4 C/O
Pin number	14.0

Complementary

[In] rated current	7 A
Output type	Relay
Product compatibility	Plug-in relay
Shape of pin	Flat
[Ue] rated operational voltage	250 V AC
Connections - terminals	Screw clamp terminals, 1 x 0.5...1 x 1.5 mm ² solid without cable end
Fixing mode	By screw (panel)

Environment

Standards	IEC 61984
Product certifications	CE
Ambient air temperature for storage	-40...85 °C
Ambient air temperature for operation	-40...55 °C
IP degree of protection	IP20
Dielectric strength	2500 V
